

Review form of a publication

I kindly ask you to review the publication which was sent to the editor of our journal . Be assured that this review shall be treated as confidential. Please make reference to each point of review form and kindly add your own remarks and comments on the back page of the form. If for any reason you cannot review the publication within next two weeks, please kindly return the article back to the editor. Should the subject of the publication be outside the field of your interest I would be most grateful for making reference to other potential reviewer.

Kind regards
 Prof. Leon Drobnik
 Editor-in-Chief

Title of the manuscript:
